Happy Holidays

Follow these tips to **ensure** all company data is **safe** and **secure** this holiday season.

NEVER CLICK ON
Links or download attachments from **unknown sources**.

ALWAYS VERIFY THE SECURITY OF A WEBSITE
Legitmate sites will always be secured using a 'HTTPS' certification.

https:// www...

haqpyhoildays@mail.com

PAY CLOSE ATTENTION
To the **spelling and grammer** of an email. If there are any inconsistencies, contact your IT support.

BEWARE OF HOLIDAY EMAIL OFFERS
If an offer seems to **good to be true**, It usually is!

REMEMBER:
Reputable companies will **never ask you** to supply **personal information** in an email.

Ensure that all **applications** and operating systems are **up-to-date**.

Install the latest **anti-virus software solutions** on your work devices.

Do not **overshare** on social media.

Use **enhanced privacy settings** on social media.

Don't get hacked this holiday season.
Use strong passwords to **reduce the chance.**
